LEGEND LIVED THE DREAM

TEEN ERIC'S SEX ORGIES WITH MILF GROUPIES

By MATT MARSHALL
news@sundaysport.co.uk

THE world of darts is in mourning after the tragic death of Eric Bristow aged just 60.

Nicknamed The Crafty Cockney, Eric suffered a fatal heart attack at a Premier League event in Liverpool.

World champion five times between 1980 and 1986, Bristow also won five World Masters titles and was a founder player when the PDC was formed in 1993.

He was awarded an MBE for his services to sport in 1989, worked as a TV pundit and appeared on ITV show *I'm A Celebrity...Get Me Out Of Here!* in 2012.

Here, in an extract from his 2010 autobiography *The Crafty Cockney*, he reflects on raucous events in 1975 when he was an up-and-coming teen player…

TREBLES ALL ROUND: Eric had wild times but never drank in the week before a major tournament

BY far the biggest buzz of 1975 was when 64 of us paid £25 each to play a knockout tournament, with the winner getting all the money plus a three-week trip to America to play darts tournaments over there with 54 other Brits who were making the trip.

It was great, one of the best three weeks of my life, but by far the biggest eye-opener for me was American women.

They were nuts – especially one group of about 40 or 50 women, most of whom were married to rich Americans, but who used to spend the three weeks hopping from tournament to tournament and having sex with as many British darts players as they could get their hands on.

They'd meet up and mark conquests out of 10. The Brits always got marked down. Most of them got one out of 10.

We could hear them in the tournament bar talking about how good or bad a shag we were. It didn't take me long to get into them. I'd be shagging this woman one night and the next night drinking with her husband.

It was so free and easy it felt weird compared to the stuffiness and sexual backwardness of seventies England.

I'd get women coming on to me and I'd be thinking: Hold on a minute, love, you're married; I just played your husband and beat him earlier on.

The next minute I'd be shagging her and the following night I'd be going out for a meal with her and her old man, but I was 17 and it was simply a case of "Whatever." At that age you get it where you can. I don't know if I got one out of 10, but then, I didn't give a monkey's.

Playing for England was mad. I was with the proper boys now, hardcore boys who could drink. I'm a boozer, I like a drink, and I have drunk with the best, but when it came to an important darts tournament I'd say no.

I wouldn't get drunk in the week leading up to the tournament because I wanted to remain fresh – I'd save it until after, when I'd won and got the cheque.

His face went white and his mouth opened but no words came out. He thought he'd pulled this bloke's arm off. He looked at it for about half a minute and said, "What the f***?"

'I'd be shagging her and next night having a meal with her and her man'

DOUBLE TOP SHELF: Eric drank lager but swapped it for Guinness

Back in the early years, I couldn't have any relationships with girls because I just didn't have the time; the only love affair I had was with darts.

I'd meet girls, sleep with them and they'd ask me, 'When am I going to meet you again?' 'You ain't,' I'd reply.

I played for the Arundel Arms for about 18 months and then the whole team moved to another pub close by called the Red Lion. Every week these Irish lads would kick off. There'd be mass brawls in the pub and on the pavement outside.

Then they'd be back at the bar minutes later, bloodied and bruised with their arms round each other, knocking more booze back!

Because of this the turnover of landlords was high. Some just couldn't cope – and added to this many of them would end up getting robbed or beaten up by the customers.

We had this great couple come in who were gay. They were fantastic and within days of them arriving we had the cleanest pub in London.

One of these lads had a false arm. All our darts team knew about it, apart from a bloke called Brian. We were all in the pub one night having a bit of after-time and Brian got a bit rough with this gay and started pulling him about.

He was having a laugh, but going a bit over the top, as he was inclined to do when he'd had a few beers. He ended up pulling this gay by the arm and it came off in Brian's hand. Brian just stared at this arm in bewilderment.

The rest of us were gone. I was on the floor rolling about with laughter. It was the funniest thing I have ever seen.

In the end the one-armed gay landlord said, "Give me my arm back," snatched it off Brian and put it back in the socket.

Brian looked at him like a dog does when it's trying to understand his owner, his head tilting one way and then the other. I was desperately trying not to wet myself.

Back then I was a lager boy. Later on I had my top shelf nutty moments, but I never really drank spirits when I was playing county darts. I had to give up lager about 13 years ago because every morning I'd wake up and spew bile and this thick yellow muck. It was happening every time I drank it. So I gave it up and swapped to Guinness.

TELLY CHARLOTTE SHOCKER...

Geordie Shore banned my butt plug bum tricks

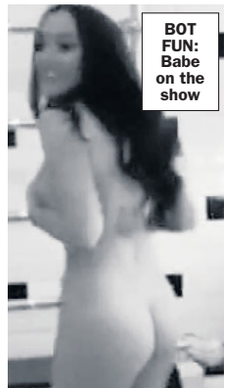
By BECCA STUBBS becca@sundaysport.co.uk

REALITY TV star Charlotte Crosby once inserted BUTT PLUGS into her puckered ringpiece in scenes which were deemed TOO RUDE for MTV.

Despite showing shagging, blowjobs, tons of nudity and even lesbian dildo-sharing, the salacious television station left the 27-year-old's anal toy scene on the cutting room floor.

However, over-sharer Charlotte has now revealed all the kinky details of her solo bum fun session and spoken about the time she was "trying sex toys for size".

Although she was more than happy to shove various plugs up her bumhole, her co-stars weren't as keen to spread their cheeks on camera.



BOT FUN: Babe on the show

Stuff

Charlotte said: "I've pretty much done it all. Some of it hasn't even been shown. I had a really good time when we all did stuff to do with our bums.

"The girls wouldn't do it on *Geordie Shore*, so I just did it alone, but it wasn't shown. I think it was just too far. *Geordie Shore* does not want butt plugs."

The busty brunette might have plunged plugs up her arse on camera but even she has said no to one clip being shown.

She explained: "I was getting out of the shower and I had no hair [extensions] in and my hair is very thin, and it was all wet and I just looked so dreadful, I was like, 'Please, you cannot film this'.

"So my version of feeling uncomfortable and not doing something is different to everyone else's. Everyone has different boundaries."

Britain's only topless giant bunny breeder calls it a day

By BARNEY SAMUELS
news@sundaysport.co.uk

THE world of topless giant bunny breeding is a poorer place today after stunna Annette Edwards announced her retirement.

Annette, 66, currently the oldest UK glamour model, and her bunny Darius, the world's largest rabbit at 4ft 4ins tall, have finally decided to call it a day.

Ready

The retirement will not affect the worldbeating pair's Guinness World Record titles but Darius will no longer be available for interviews and Annette will no longer strip off for the camera. She believes that Darius, who is now eight years old, will enjoy a less stressful life at home.

Annette, from Stoulton, Worcs, said: "We're still welcoming people to visit us both but we will not be doing any more long journeys.

"Darius has had an amazing career and loves people but now he's getting older he likes to relax.

"I've done glamour modelling for over 40 years and finally feel ready to lead a quiet life.

"Darius has two children that are likely to overtake his size and snatch his world record in a few years."

Mirtha is no stranger to uploading a saucy snap when Zinedine Zidane's side bag an important victory.

Her 88,000 Instagram followers eagerly wait for the latest revealing picture of her in cut-off Real Madrid T-shirts and skimpy lingerie.

So when Ronaldo scored his remarkable overhead kick in Real's 3-0 win over Juventus in the Champions League, they were in for a treat.

Mirtha instantly took to Twitter to pose completely topless alongside the caption: "To my god Cristiano and to all..."

RED NOSE BIG TITS: Milena Velba

HAPPY COUPLE: Harry & Meghan

Skin flick babe invited to the royal wedding

IT'S to be hoped that Prince Philip is back to full health by the time his ginger grandson Harry gets wed in May.

Because one of the guests at the evening bash is a XXX PORN STAR!

Mega-busty Milena Velba is the "plus one" of Harry's banker pal Piers Grayson-Fflyte and, thanks to all guests undergoing detailed security screening, the Royals know EVERYTHING about her saucy past.

A Royal source said: "Harry has known Piers since Eton and there was no question of him not inviting his old friend.

"Everyone knows Piers is knocking about with this Czech porn movie filly, and we had no idea if it was this serious.

"But it must be, if she's his 'plus one'.

Rocket

"She's a bit older than Piers but from what I've seen in her flicks, she goes like an absolute rocket!

"I imagine she'll keep them covered up at the reception. Well, she's got to, hasn't she? The Queen will be there.

"I suggested she could come on the stag night to lay on the entertainment but Piers said, 'Absolutely no way'. Poor thing."

Milena, 47, was born in Ústí nad Labem, in what was then Czechoslovakia but only got into the bongo business back in 2003, when she was 33.

Although Milena does not do see-it-going in, flying-spunk penetration pornography, she has got a huge following thanks to her rather specialist LACTATION fetish vids.

Also in her movies, Milena allows other busty gals to maul and mash her giant 38K whoppers.

Harry and Meghan will tie the knot on May 19 at St George's Chapel in Windsor Castle.

As well as close friends and family, the loved-up couple have invited thousands of members of the public to attend their big day.

Itchy penis OAP cleared of w*nking in window

A JURY has cleared a grandad charged with exposing himself from his window after he said he was simply putting OINTMENT on his itchy privates.

A mum described two occasions when she saw OAP Daniel Cockle "playing with himself" in the back window of his home.

She said her kids were with her and they saw him performing the same act a third time.

One of the kids, a 16-year-old girl, took a video of the OAP in his window.

Mr Cockle claimed he was simply applying creams to relieve itch on his genitals.

The 70-year-old, of Westbury-on-Trym, Bristol, denied three charges of exposure in September and October last year.

He told the jury at Bristol Crown Court: "I was definitely not masturbating."

Poo museum's £10k appeal for more solid base

A MUSEUM dedicated to EXCREMENT is aiming to move to a permanent home on the Isle of Wight.

Currently a mobile attraction, the National Poo Museum features specimens from animals such as elks and lions.

Directors have recently launched a £10,000 appeal to help renovate the disused Sandown Battery fort.

And they say visitors to their new centre will "discover the magic and secrets that live within poo".

The National Poo Museum was created in 2016 by members of the "artist collective" Eccleston George.

Samples of faeces were gathered from around the world as well as donations received from the Isle of Wight Zoo and Dinosaur Isle museum, which were prepared for display using a specially-built drying machine.

Ian Boyd, from the museum, said: "We want to break the taboo about talking about poo and make a difference to how people think about their own health – and the world around them."

THE VOICE OF YOUR BRITAIN

We musn't grumble at Royal porn

ONCE upon a time, the idea of a porn star attending a Royal wedding would have been unthinkable.

The very faintest whiff of scandal was enough to get someone banned from the Royal Court for life.

So it says a lot about the modern monarchy that big-boobed grumble actress Milena Velba will be attending Prince Harry's wedding to Meghan Markle.

The Royals, in the past, have been accused of being rather out-of-touch and aloof.

In the wake of Princess Diana's death, the Queen herself almost lost the love and devotion of her nation.

Since those dark days, the Royals have undergone a transformation.

With William and Harry increasingly the driving force behind this ancient institution, the fresh wind of modern life is blowing through the Royal palaces.

No doubt there are some powdered flunkeys who clasp their throats in horror at the thought of Ms Velba rubbing shoulders with the cream of British nobility.

Let them swoon, we say.

Lactation fetish titty models are part of the 21st century and as such have their place at Windsor Castle.

All the breast, Annette

MANY glamour girls have come and gone in the 30-odd years that Sunday Sport has been a fixture of Britain's newsagents.

But few will be missed like Annette Edwards, who is quitting the glamour game at the age of 66.

Thanks to a feature in Sunday Sport, Annette became the world's oldest Page 3 babe a few years back.

Now she's retiring and we wish her all the very best.

Classic FM poll 'fixed by Putin'

POSH music fans fear the world's biggest poll of classical tunes may have been FIXED by shadowy agents working for RUSSIA!

Over the recent Bank Holiday weekend, Classic FM unveiled its 2018 Hall Of Fame – a rundown of the nation's favourite pieces, voted for by its listeners.

The most voted-for was Tchaikovsky's stirring *1812 Overture* – a favourite among ultra-nationalist Russians and written to mark their country's victory over Napoleon.

Russian Tchaikovsky knocked English composer Ralph Vaughan Williams off the top spot – raising suspicions that Moscow could have had its fingers in voting for the Hall of Fame.

Russia has already been accused of meddling in the US Presidential election and the Brexit vote.

Franklin Delahyde, professor of music at the University of West Lancashire, said: "This is the sort of disruptive mischief that would delight Putin."

I'M NOT JEREMY C**TING CORBYN!

Rabbi's lookalike hell

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

RABBI Eli Cohen is one of the most respected members of his local north London community.

He's often the first port of call for wise words of advice, is heavily involved in charity work and is a respected scholar of Jewish literature.

But there's just one problem…he's the spitting image of Jeremy Corbyn.

And with the left-wing Labour boss at the centre of a lively debate about anti-semitism in his party, that's not a good look for a rabbi.

Rabbi Cohen, 69, said: "I've long been a great admirer of Mr Corbyn.

Herd

"Although I do not agree with many of his policies, I believe he has brought a new integrity to British politics and I admire the way that, over the years, he has refused to go with the herd.

"But I'm slightly worried about some of the company he keeps and I fear there is a small element of his party who have taken opposition to the state of Israel a bit too far and have strayed into open anti-Jewish abuse."

Rabbi Cohen said he had never noticed his resemblance to the Labour leader until it was pointed out by a gang of youths in Golders Green.

He explained: "I was walking down the street and these kids shouted 'Oy vey, Jeremy Corbyn' along the lines of 'Oh Jeremy Corbyn' which young people chanted at Glastonbury.

"I went home and told my wife what had happened and she said she'd noticed it some time ago but hadn't liked to mention it.

"As the anti-semitism row has escalated, I've lost count of the times I've had to explain I'm not Jeremy Corbyn dressed as a Jew to take the piss.

"So, for the avoidance of doubt – I'm NOT Jeremy c*nting Corbyn!"

Jewish community leaders have agreed to meet the real Mr Corbyn to discuss his efforts to tackle anti-Semitism in the Labour Party.

But the Board of Deputies and the Jewish Leadership Council have repeated their warning to him that action is needed "not words".

Mr Corbyn said he would meet the leaders of the two groups "without any pre-conditions".

Last weekend Mr Corbyn stumbled into another row when he took part in seder, the traditional meal of the Jewish Passover festival, organised by radical leftie group Jewdas. The group runs alternative Jewish parties, events and a satirical website.

They said that much of the furore over anti-semitism in Labour was "the work of cynical manipulations by people whose express loyalty is to the Conservative party and the right wing of the Labour party".

Loony preacher's 'gay kids' warning

A POTTY Muslim preacher has warned women against fantasising about shagging other men while with their husbands – as it will lead to them having GAY kids!

Barmy Koran basher Rahmatulloh Saifutdinov, head of the Mirzo Yusuf mosque in Tashkent, Uzbekistan, claimed homosexuality would cease to exist if couples stopped thinking about other people during sex.

The bearded loon babbled: "For example, women are fantasising about handsome Turkish soap opera actors.

"There are many such posts on social media by some married women.

"It's like having three people taking part in the sexual intercourse.

"Men should not think about other women while having sexual intercourse with their wife, or this will lead to lesbian children."

Bet Phil's eggs-cited!

CELEBRITY Juice viewers were left nursing SEMIS after Holly Willoughby and *Corrie* babe Lucy Fallon passed a boiled egg between their mouths.

Fans of the show even suggested Holly's *This Morning* co-host Phillip Schofield, 56, would be "pumping himself silly" at the saucy scenes.

The two blonde babes were seen getting risqué with the egg as 22-year-old Lucy passed it from her mouth to that of co-star Holly, 37.

One social media quip, from *Back Door Andy* read, "nursing a semi", whilst a fella named Dave wrote, "bet Phil was in the toilet pumping himself silly".

Host of *Celebrity Juice*, Keith Lemon, 44, offered five points if Holly took the egg from Lucy's mouth – without using hands.

Sexy Holly took the slippery egg from Lucy's mouth and won the points for her team on the X-rated ITV2 comedy gameshow.

EXCLUSIVE INTERVIEWS WITH T
SLEPT WITH RICH MEN TO GE

SUGAR DADDY

'Before I got to uni I'd slept with men I didn't even fancy that much'

SHARON, 23, GRADUATE FROM SOUTH LONDON

WHEN Sharon graduated from a media studies course last year she wasn't burdened with the debt most of her pals were saddled with.

And she puts that down to being a sugar baby in the last two years of her studies.

Sharon, who came out with a 2:1 degree from Kingston University, is now working in publishing and is quite open about what she did at college.

She said: "I've written the first draft of a book about my experiences and my employers are keen to publish it.

"It's a kind of *Fifty Shades of Grey* meets *Secret Diary of a Call Girl*.

"But I don't consider myself to have been a prostitute.

"I picked the men who I wanted to be my sugar daddies – a prostitute has to take whoever comes along with the right money.

"What I did was 'paid arrangements'. I was much more akin to being a mistress but, unlike a mistress, I was never under any illusion that any of my sugar daddies were going to leave their wives for me.

"It was such an honest, open arrangement.

"Before I got to university I slept around quite a bit, often with men I didn't even fancy that much.

"And I did it for free!

"When I got into the sugar baby game, I was doing the same thing, only getting paid.

"What's more, my sugar daddies tended to be more interesting and confident than the lads my own age, who I'd slept with.

"And not many guys my age could afford to fly me to Paris for the weekend, like one particular sugar daddy did.

MILE HIGH THANK YOU: Sharon was flown to Paris for weekend

Sucked

"That was so exciting. I sucked him off in the plane toilet on the way there – as a kind of thank you!

"I had a wonderful weekend in Paris and I was paid £1,000 on top.

"It was pretty strange going back to lectures on Monday morning. It was like going back to real life after being in a dream."

Sharon gave up being a sugar baby when she left university and now has a steady boyfriend who knows all about her past life.

She added: "It would probably be hard to find a boyfriend who would be OK with their girlfriend doing something like being a sugar baby on the side.

"Of course, there's the option of doing it and not telling your boyfriend about it.

"That seems a little more realistic, but not for me because I'm a very committed person and I don't want to be dishonest.

"Besides, the sugar baby part of my life was soley to get me through college. It's finished now and I've no need to do it any more."

'He calls me his 'dirty sugar slut' and I love it

CHRISTINE, 20, STUDYING ENGLISH IN MANCHESTER

"At the end of my first year I realised how much it was costing me to be at university.

"My parents helped me out but I don't come from a rich family.

"I was getting deeper and deeper into debt. And that's before I even thought about paying back the tuition fees.

"I thought to myself, 'I'm going to be paying this off for years'.

"That's when I heard about becoming a sugar baby.

"I know it sounds like being a prostitute – very like a prostitute, in fact – and that's what put me off for a long time.

"There are girls at university who work in massage parlours or as escorts and that's not what I wanted to do.

"I spoke online to a girl in London who is a sugar baby and she described herself as a 'professional mistress' – and I liked the idea of that.

"You're not obliged to have sex with your sugar daddy but you have to make this clear right from the start when you join one of the sites that match up sugar babies and sugar daddies.

"If a man is expecting sex, he will say so. And if you're prepared to do it, you say so.

"It's all open and above board.

"On my profile it specifically says, I'm at college and I need the money to live."

Blonde Christine didn't have to wait long to hook her first sugar daddy.

SEX IS A BONUS: Christine meets up with hung businessman

Handsome

She said: "The guy ran an engineering firm in Birmingham. He was clever, handsome and clearly very rich.

"He said he was married but had not had sex with his wife for years. He explained he didn't have time for an affair but loved the idea of having someone to hook up with.

"We agreed to meet up once a week and for that I get £1,500 a month.

"That may not sound a lot – £375 a night, which is less than an escort – but I also get taken out to lovely hotels and restaurants and I get showered with gifts.

"And far from the sex being a chore, it's actually a bonus.

"My sugar daddy is a wonderful, confident lover with a lovely big cock which he knows how to use.

"He calls me his 'dirty little sugar slut' and I love it!"

THREE WOMEN WHO'VE RADUATE DEBT-FREE

STUDENTS

FORTUNE: Sugar babies can expect to rake in thousands every month

THIS pic posed by models

TIME was, students after making a bit of extra money in term time got themselves a bar job.

But now, for sexy female students at least, there's a new way to rake in loot – becoming a SUGAR BABY!

The concept of rich, older men showering money and gifts on younger women – so-called sugar daddies – has been around for years.

But thanks to the internet these days the arrangement is far more common, with dozens of websites matching moneybags men with skint student babes.

By GRACE HOOPER
news@sundaysport.co.uk

With the advent of tuition fees and the end of the student grant, becoming a sugar baby is one way for undergrads to get through college without drowning in a mountain of debt.

The couple usually establish some financial agreement early on – as well as their boundaries, such as whether or not they're considering a sexual relationship.

Some sugar babies ask for a monthly allowance, while others get "expenses" in the form of glamorous holidays or shopping sprees.

According to top website Seeking Arrangement, the average sugar daddy is 45 and earns £176,000.

And the average sugar baby rakes in £2,300-a-month, making a comfortable annual "salary" of £20,930.

The girls insist they're not the same as a prostitute or escort, and there is some truth in this.

The key difference is that a sugar daddy relationship is a regular arrangement.

Where an escort might be hired for the night, or as a one-off to attend a fancy event, a sugar baby would meet her daddy several times a month.

Those behind sites like Seeking Arrangement, What's Your Price, Sugar Daddie and Rich Meet Beautiful insist it is totally safe.

Sunday Sport spoke to three women who found a sugar daddy arrangement meant everyone is a winner…

'I'd never tried anal sex before doing this'

MEL, 21, STUDYING MATHS IN BRIGHTON

"I READ about sugar daddies and sugar babies in a magazine and thought it was an urban myth.

"But a friend I went to school with – who is studying in Manchester – started doing it and told me it was OK.

"I joined the same site as she did and within a week I had three 'daddies' on the go.

"It's such a mutually-beneficial arrangement.

"They get a young woman on their arm – without all the baggage of a girlfriend or mistress – and I get lots of money.

"Most students will tell you money's tight. But not me.

"I keep my job to myself at uni.

"Students these days can be so judgmental. It's none of their business what I do, anyway.

"Most daddies want to feel like their sugar babies are attracted to them, so even if I'm not emotionally or physically attracted to them, I still have to fake it to some extent.

Mature

"It ranges from hand holding and cuddling to more, what I call 'mature' stuff.

"It just depends on the mood of the situation.

"Before I even go out on the date, however, I always ask to make clear what it is they want so I'm not caught off guard.

"On first dates I don't do sleepovers. It's always different every time and I never know what to expect with each daddy I meet.

"I normally wait for the second date – at least – for sex.

"Most daddies want "mature" stuff, if not immediately then eventually.

"How much I make ranges from time to time – sugar daddies come and go all the time, although some of them are more constant.

"Some give me 'allowances' – by this I mean, I receive a fixed amount every week and some pay by date, but I only get paid when we meet up in person.

"In a good month, I get around £1,200. I have to fit things around my studies – that's why I'm doing it, after all.

"Once I got £600 to sleep over at a daddy's house for one night.

"It was at the last minute and I was with friends at the time he got in touch with me.

"But for £600 I was out the door in minutes!"

Mel said that she often plays a "role" when she is being a sugar baby.

She revealed: "It's like being an actress.

"I'm not being me. That means the sex can be awesome.

"I often feel so uninhibited. I watch porn movies to learn new sex tricks.

"I'd never tried anal sex before I started doing this, but now I love it.

"I love playing with spunk as well. That seems to drive guys wild.

"I love playing the little porn slut in bed. It's something I would never do in real life though!"

If you want better sex ladies, get on yer bike

LADY cyclists have better sex lives than women who take part in sports such as swimming or running, a new study shows.

The researchers surveyed more than 3,000 women who belonged to cycling, swimming, and running organisations in the U.S., Canada, the UK, Australia and New Zealand.

Most were white, under age 40, single and normal weight.

Overall, 34 per cent were runners or swimmers. About 13 per cent were "high-intensity" cyclists.

Another 53 per cent were classified as "low-intensity" cyclists who rode less often.

More than 80 per cent of those studied were sexually active – but more cyclists in both the high and low intensity groups were sexually active than non-cyclists.

High-intensity cyclists were 30 per cent less likely to have sexual dysfunction, compared to runners and swimmers who were non-cyclists, researcher Thomas Gaither of the University of California, San Francisco, reported in the Journal of Sexual Medicine.

Council perv took upskirt pics for 6 yrs

A COUNCIL accountant spent SIX YEARS taking thousands of upskirt photos and videos.

Thanh Ta, 43, (*above*) was found guilty on 17 of 19 counts, including sexual assault, stalking and invasion of privacy for sexual gratification.

Ta, a former budget analyst at the Department of Education in Denver, Colorado, was arrested and charged in October.

A month earlier, council IT staff alerted police they had found numerous files of suspected pornography – later found to have been taken from 2011 until 2017 – on an external hard drive owned by Ta.

Many of the photos and videos featured Ta's female colleagues.

He will be sentenced in June.

Pope orders army of EXORCISTS!

HOLY HELL: Pontiff panics

Red alert over demonic possession

THE Pope has ordered dozens of priests to get a crash course in EXORCISM after a surge in DEMONIC POSSESSIONS!

The Vatican is holding emergency exorcism training courses for priests this month after a holy red alert was declared in response to growing numbers of folk possessed by the dark forces of LUCIFER!.

They will be held at the Pontifical Athenaeum Regina Apostolorum between April 16-21 and will focus on the Prayer of Liberation, commonly used to deliver a persecuted soul.

Demonic possession was chillingly portrayed in 1973 movie *The Exorcist*, starring a young Linda Blair.

By SIMON DEAN
simon@sundaysport.co.uk

The International Association of Exorcists, which is backed by the Vatican, recently declared a 'pastoral emergency' after numerous priests told of a surge in exorcism requests.

According to Friar Beningo Palilla, there are now about 500,000 members of the faithful requiring exorcism in Italy alone each year. He blamed the increase on a growing numbers seeking the services of fortune tellers and Tarot readers in recent years.

Such practices "open the door to the devil and to possession," he claimed.

The priest shuddered: "We priests very often do not know how to deal with the concrete cases presented to us. In preparation for the priesthood, we do not talk about these things."

At a conference in Sicily last month, Friar Cesare Truqui warned: "The fight against the Evil One started at the origin of the world, and is destined to last until the end of the world."

He added: "Today we are at a stage crucial in history: Many Christians no longer believe in [Satan's] existence, few exorcists are appointed and there are no more young priests willing to learn the doctrine and practice of liberation of souls."

Exorcists can tell demonic possession from good old-fashioned madness.

According to Church rules, mere loons must be sent to the nuthouse.

10 things you might not know about PRINCE PHILIP

PRINCE Phillip caused panic last week when he was admitted to hospital for a hip op.

Despite being 96-years-old the royal was said to be in "good spirits" following the three-hour surgery.

Famous for his outlandish comments, the Duke of Edinburgh is hoping to add his charm to the Royal Wedding next month.

Here's 10 things about Phil that you may not know...

1 ON June 10, 1921, Prince Andrew of Greece and Denmark and Princess Alice of Battenberg welcomed their fifth child – and first son – Phillip on the family kitchen table in Corfu, Greece.

2 PHILIP has pet names for his wife, Queen Elizabeth II, and regularly calls her "sausage" and "cabbage".

3 WHEN Prince Charles was born in 1948, Philip was busy playing squash, and said of his first child: "He looks like a plum pudding!"

4 AFTER watching Tom Jones perform at the Royal Variety Performance in 1969, he later asked the Welsh warbler: "What do you gargle with, pebbles?"

5 THE Duke of Edinbugh is actually related to his wife, Queen Elizabeth II. The two share the same great-grandparents – making them third cousins.

6 AMONG the most unusual "official" gifts he has received are two live pygmy hippopotami from President Tubam of Liberia in 1961 and a giant porcelain grasshopper from President Pompidou during a state visit to France in 1972.

7 PHILIP has gradually re-designed the gardens at Balmoral, which now includes a water-garden which he dug out himself using a bulldozer.

8 HE offended the whole of China in 1986 when, during a royal visit he said to a group of British students: "If you stay here much longer you'll all be slitty-eyed."

9 IN over six decades of service, he has made more than 5,000 speeches and visited more than 170 countries.

10 PRINCE Phillip gave up playing polo after he developed a love for carriage driving, helping draft an early rule book for the elitist sport.

Travel expert girls review holiday hotspots BARE-ARSE

By PENNY MARSHALL

JUDITH Chalmers never appeared like this on the legendary ITV travel show *Wish You Were Here?*

Just as well, eh?

The latest trend among lady travel writers is to visit far-flung spots and to report on their attractions while in the NUDE!

The craze has made a bit splash on social media site Instagram but as it bans full nudity – even nipples – the girls have to limit themselves to being bare-arsed.

Fave accounts include stunna *Cheekyexploits*, *Thenudeblogger*, *Getnakedaustralia*, *naked.in.nature* and *a.naked.girl*.

Travel consultant Harrison Venables said: "Once, the sauciest thing you saw was a distant shot of a Croatian nudist beach in the Thompson brochure.

"These girls are making travel journalism sexy again. I just hope they wore the appropriate sun screen!"

Council man in dick-suck pic campaign

A COUNCIL election candidate has included a snap of him sucking another bloke's COCK as part of his campaign.

Eric Jon Schmidt, 51, is standing for election to West Hollywood City Council and posted a link to his profile at DudesNude – a gay dating site – on his campaign material.

The X-rated profile shows self-confessed exhibitionist Schmidt having sex in six pics and sucking another man's cock in another.

The profile reads: "I am the luckiest guy in the world. I have had a lot of hot sex and never got an STD."

Schmidt describes himself as "an average, down-to-earth, guy-next-door type".

He also said of his campaign: "I am 100% transparent.

"I have nothing but good intentions and I am not running against anyone, just their seats.

"I have nothing negative to say about the others and never will."

Miss Blowjob Mouth's sex with pupil, 16

A TEACHER nicknamed "Miss Blowjob Mouth" has shagged a teen pupil.

Clairyssa Lorenz, 27 (*above*), of California, Missouri, was charged with one count of sexual contact with the student.

She was charged earlier this month in Moniteau Co with second-degree statutory rape and sexual contact with the same 16-year-old student.

Lorenz is a former elementary school counsellor – responsible for student welfare – at Cole Co Schools, and an ex-assistant softball coach at Moniteau Schools.

The teenage boy told cops the alleged sex crimes took place in June and July of last year.

Sources claim Lorenz was nicknamed "Miss Blowjob Mouth" and was given a leaving card with the name on it when she left to join her new school in Cole Co.

CHOO CHOO TRAN BLOCKS RICHARD BRANSON'S BOG!

BOSS: Branson

BOTHER: Barnaby Collins arriving at court back in 2011 (*left*) and a Pendolino train loo

A CROSS-DRESSER who once offered to suck off a rugby team on a train has got into more rail bother – after blocking the bog on a Manchester to London Virgin express!

In 2011, Barnaby Collins faced magistrates in Leeds after drunkenly offering to fellate the rugger squad in return for strong lager.

The cabbie was sent home from his first hearing after turning up in a fishnet bodystocking and high heels.

Stink

The divorced former town crier from Dove Holes, Derbys, managed to stay out of trouble until last week, when he caused a stink in the space-age lavvies of one of Richard Branson's posh Pendolino tilting trains.

One passenger told *Sunday Sport*: "I saw this man in a dress lurching towards the toilets, clutching his stomach. He was drunk and everyone was trying not to stare.

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

"I mean, you can't cause a fuss, can you? You know how touchy these men pretending to be women can be.

"So he disappears to the bog and was in there 20 minutes. He came out looking relieved and headed straight to the buffet car – for more booze, I imagine.

"Well, I was busting for a piss, so I went into the bog next.

"F**k me, the stench! I reckon that tranny's shit was as toxic as the stuff that did for that Russian bloke in Salisbury.

"I looked in the pan and it was full. I bet there was five pounds in there – totally blocking the bog. It looked like he'd made no effort to flush it, either.

"It doesn't matter what kind of delicate little woman you may be pretending to be. Even after you've had the op, you still shit like a bloke."

A Virgin Trains source said: "We strive to keep all train service toilets clean but there are occasions when specialist cleaners have to be brought in."

ORGY MADAM PAID HOOKERS IN METH

A WOMAN who hosted giant sex parties with up to a dozen hookers has been arrested on a human trafficking charge.

Police spokesman Stephen Young said Cricket Darlene Kimbrough, 35 (*left*), recruited at least 14 individuals to participate in her prostitution ring.

He said investigators believe the female victims would participate in sex parties held at local hotels and they would be paid in methamphetamine.

Evidence of the ring was found after a search warrant was obtained for her mobile phone.

He said investigators believe the prostitution ring had been active for several months.

Punters

Transportation of males and females to the sex parties was provided by mum-of-three Kimbrough.

Once the female recruits arrived at the parties, Young said they were required to perform sex acts on punters there, and cash would be collected from them.

Kimbrough would facilitate private meetings between the prostitutes and "Johns".

Kimbrough remains in the Limestone Co Jail in Athens, Alabama, on one count of human trafficking, two counts of possession of methamphetamine and possession of marijuana.

Navy chaplain dropped over bar bonk tape

A NAVY chaplain was removed from his post after he was videotaped having sex with a woman at a bar.

Captain Loften Thornton was suspended for "loss of trust and confidence".

Authorities acted after watching a clip which showed Thornton having sex with the woman at the Crown & Anchor English Pub in the Algiers Point neighborhood of New Orleans.

The bar is located across the Mississippi River from the city's French Quarter, and near the Marine Forces Reserve in Algiers, where Thornton was stationed.

Thornton (*above*) has been a Navy chaplain since 1992.

Major Andrew Aranda, for the Marine Forces Reserve, said: "Marine Forces Reserve takes all allegations against any of our Marines or Sailors seriously."

Town's fury at gigantic shit dump

A SMALL town is dreading the approach of summer because of 4,500 TONS of New Yorkers' shit piled up in railway trucks on its outskirts.

The city has been sending the excrement to a firm called Big Sky Environmental, a waste management service based in Adamsville, Alabama, over the past year.

But in January, courts issued an injunction to prevent the poop from being stored in the town.

After the ruling, the waste in transit was moved to the tiny town of Parrish, which has no laws to stop it being stored.

And that's where it's stayed.

The fed-up residents of Parrish have even written to President Trump asking him to sort the stink.

Heather Hall, Parrish's mayor, said: "It smells like death. If its warmer its worse, if its high humidity it's very bad.

"These train cars are right across the street from homes."

CORONATION BLEAT!

SUNDAY Sport EXCLUSIVE

Brian's complained about EVERY EPISODE since 1988

ISSUES: Brian has found fault in every episode

FROM the day he watched the first episode of *Coronation Street* as an eight-year-old boy, devoted Brian Stoke has been the long-running soap's No.1 fan.

And in almost 58 years, he's not missed ONE episode of the popular ITV flagship.

But as well as being the show's biggest fan, he is also its biggest CRITIC.

Because Brian, 65, has officially complained about EVERY episode since 1988!

Brian told *Sunday Sport*: "I first complained on December 12, 1988. I'll remember it until my dying day. Dawn Acton replaced Holly Chamarette as Tracy Barlow.

Inconsistencies

"I said to my then-wife Doreen, I said 'Doreen, that is NOT Tracy Barlow'. So I wrote in and pointed out all the inconsistences with the shape of the new actress's head.

"That kind of set me off, because I was looking at *Corrie* with a more critical eye. And I started seeing faults in my beloved soap at every turn.

"I don't know if it's because the *Street*'s long-running executive producer Bill Podmore had left (Podmore retired in December 1988) but *Corrie*, for me, started to go downhill then.

"It may sound like I'm nitpicking but *Corrie* is supposed to be true to life. I like to think I'm pointing out inconsistences which the scriptwriters should really be picking up on, and taking note of."

By BARNEY SAMUELS
news@sundaysport.co.uk

In his time, Brian, of Hull, has written more than 4,500 letters and emails to the show's producers and called the ITV duty office more than 1,500 times.

He's posted an estimated 2,000 messages on *Street* message boards and internet fan sites and another 1,000 on comment sections on *Corrie*-related stories in the *Daily Mail* online paper.

In that time he's griped that:

- Jim McDonald's Ulster accent was "too like IRA boss Gerry Adams"
- The 2010 tram crash could not have happened in the way it did on the show
- The measures of Scotch given to Mike Baldwin were "much larger than a regular optic would dispense"
- Author and conman Mel Hutchwright, played by top luvvie Ian McKellen, was "a stupid character"
- The spanners in Kevin's garage were "untidily laid out"

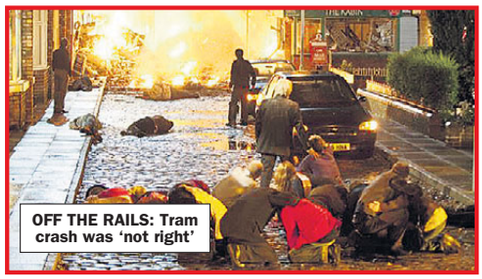
Now that there are no fewer than SIX episodes of *Corrie* a week, Brain has his work cut out.

He said: "The advent of email has been a boon as the cost of stamps was becoming quite prohibitive. Especially now I'm a pensioner."

Brian insists he has no regrets about bellyaching.

He said: "It was a bit sad when Doreen left me on account of my attention to detail over *Coronation Street* but there you go. These things happen."

A *Corrie* source said: "We take all viewer comments seriously and welcome feedback. This bloke, though, he's a proper c*nt."



OFF THE RAILS: Tram crash was 'not right'

SCOTCHED: Mike got larger measures

Naked man's shears attack on gardener

A NAKED oddball attacked an innocent gardener as he was trimming his hedge.

Deranged John Kyle Botelho (*above*) grabbed the victim's shears and stabbed him with them, yelping: "Hedges are people, too!"

Botelho, 36, then scampered down the road and jumped in a river in Santa Rosa Beach, Florida, where he was found by police.

But his rampage was not over yet, as he tried to drag two arresting cops under the water.

He was eventually subdued after being repeatedly twatted with big sticks.

Now he faces charges of resisting an officer with violence, aggravated battery on a person using a deadly weapon and battery on a law enforcement officer.

It is believed that Botelho may have been under the influence of narcotics.

He was booked into the Walton Co Jail.

Lags get jail guard drunk to break out

TWO prisoners have escaped from a maximum security jail by getting a guard pissed and convincing him to let them go to buy more booze.

The inmates never returned and police are now hunting for them.

Colleagues of the guard at La Picota jail in Bogotá, Colombia, said his breath smelt of alcohol and he refused to be breathalysed.

The prison director said the homebrewed liquor in the prison was common despite frequent checks.

The two fugitives were identified as Jhon Gutiérrez Rincón, a Farc rebel who was in for 40 years for kidnapping in 2003, and Olmedo Vargas, who was awaiting trial for alleged theft.

The prison authorities said they were working on the assumption that the guard colluded to help them escape.

Why can't I join the Biddulph & District cock measuring circle?

SUNDAY Sport EXCLUSIVE

By SEB WATSON
news@sundaysport.co.uk

A WOMAN who claims she was banned from joining a COCK MEASURING group has vowed to take organisers to court for sexual discrimination.

Strident Muriel Rafferty says she felt "excluded and humiliated" when told it "might be difficult" for her to join the Staffordshire-based Biddulph and District Cock Measuring Circle.

The bizarre group meets every two months for, as the society's articles of association state: "The purpose of recording the length and girth of gentleman members in the Greater Biddulph area".

Fight

The origins of the tradition are shrouded in mystery but members insist there is "nothing gay about it".

The Circle has operated without controversy since 1865 but now may CLOSE as they cannot afford the legal fees to fight Rafferty in court.

Circle Secretary Bill Stopes said: "I've been a Cock Measurer since I were 18, like my father before me and his father before him. I can't believe this tradition may die out because of this bloody woman."

Bill, 67, explained: "She came along a couple of months back and said 'I want to join' and we said, 'You can't join – you haven't got a cock'.

"And she says 'Oh! Discrimination, is it?' And I says, 'No, it's ruddy common sense you daft bat!'

RIGHTS: Muriel Rafferty says she should be allowed into male group

"Next thing I know we've got a letter from her lawyers demanding compo for hurt feelings and discrimination. This bloody country! Just what the hell is happening to the world?"

Last night Rafferty, 24, tromboned: "Under the Equality Act I cannot be excluded from any public body on grounds of gender and that includes cock measuring groups.

"As a woman, I know my rights."

The case echoes that of the Derbyshire Constabulary Male Voice Choir which was last week banned by police top brass as no women were allowed to join it.

A NAKED man ran through a busy tourist resort yelping "MAUREEN!" before leaping into a lake.

The 20-year-old got about halfway to Mokoia Island, four miles from the shore of Lake Rotorua in New Zealand, before he was rescued by cops

Constable John Fredericksen of the Rotorua police Search and Rescue squad said the man was originally charged with resisting police and disorderly behaviour, but after an assessment with a mental health nurse the man was ruled to be a loon and sent to the nuthouse.

CELEBS WHO'VE STARRED IN ANT & D

SATURDAY NIGHT

KYLIE MINOGUE, 2018

POP royalty doesn't come much more royal than Kylie who joined the lads earlier this year.

Ant dressed as Kylie for a fun sketch.

Pissed, probably.

UNA HEALEY, 2009

IF you've got a show called *Saturday Night Takeaway* you have to invite a band called The Saturdays onto it.

Busty Una and the rest of the girls joined Ant and Dec way back in 2009!

By SIMON DEAN
simon@sundaysport.co.uk

FORGET Russia's increasing aggression. Forget Brexit. Forget the continuing nuclear threat from North Korea.

The issue everyone's talking about is: What's going to happen to *Saturday Night Takeaway*?

The future of Saturday evening light entertainment lies in the balance thanks to the show's co-host Ant McPartlin's fondness for a tipple or two.

Ant's arrest on suspicion of drink-driving and his subsequent admission into rehab left Dec Donnelly guiding the good ship *Takeaway* solo.

Doubts

If you are one of the 14 people in the Western hemisphere who has not seen *Saturday Night Takeaway*, think *Noel's House Party*, as the ITV show is pretty much a carbon copy – or possibly "shameless ripoff".

But while Noel sailed *House Party* solo, there are some doubts over Dec steering the show alone.

So there's a very real chance we may never see *Takeaway* again.

With that dreadful prospect in mind, today we try and lift the nation's spirits by printing the topless snaps of *Takeaway*'s lovelier celeb guests…

SCARLETT MOFFATT, 2017

GOGGLEBOX made her a star – and ***I'm A Celebrity...*** made her into a SUPERSTAR.

But when Scarlett was asked to join *Takeaway*, she REALLY made it as a celeb.

JENNIFER LOPEZ, 2013

SINGER and actress Jennifer turned up on Takeaway to amuse 'Little Ant' and 'Little Dec', with great success.

She's amused plenty of grown-up fellas too, with her tits-out sex scene.

JESSICA TAYLOR, 2003

LIBERTY X stunna Jess popped up in 2003 on a fun *Takeaway* sketch.

A couple of years later she popped OUT of her frock – and we were there to get the snap.

DEC'S HIT SHOW...TOPLESS

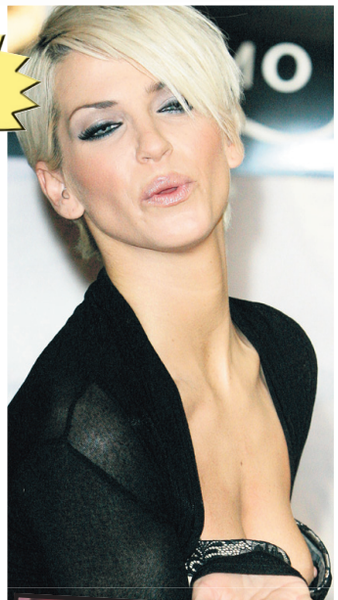
TAKE-WAHEY!

4-PAGE SPECIAL

KYM MARSH, 2016

CORONATION Street beauty Kym appeared in a spoof Rovers sketch in 2016.

Needless to say, Ant loved this one!



SARAH HARDING, 2005

GIRLS Aloud beauty Sarah appeared with the rest of the babes in 2005 singing one of their many hits.

In the past, she's also given us a glimpse of one of her two tits, too!

LILY ALLEN, 2009

BEFORE she became a full-time leftie agitator, 32-year-old Lily was a singer and impressed Takeaway audiences with her lovely voice.

She's also got a lovely pair on her, but she kept them under wraps on the show.

MELINDA MESSENGER, 2008

MEL made the rare journey from Page Three beauty to vanilla light entertainment staple in just a few years.

She was part of a barbershop quartet in 2008. Is there anything more hateful on God's earth than a barbershop quartet?

OLIVIA COLMAN, 2015

UNDER the Broadcasting Act, every TV show made in the UK must include Olivia Colman.

In 2015 *Takeaway* bosses realised the drama ubiquity had not appeared and raced to put it right.

ABBEY CLANCY, 2016

STUNNING WAG Abbey – wife of footballer of note Peter Crouch – was caught out by an Ant 'n' Dec prank.

Picky people have claimed that it was very much like a Noel Edmonds 'Gotcha' Oscar.

SATURDAY NIGHT TAKE-WAHEY!

CAROLINE FLACK, 2016

WITH numerous presenting jobs under her belt, telly's hardest-working woman Caroline had to get a Takeaway slot.

She appeared in 2016 in a spoof of spy drama *Spooks*.

EMILY SYMONS, 2003

HOME and Away and *Emmerdale* babe Emily was caught out by a prank played by the cheeky Geordie pair back in 2003.

MILEY CYRUS, 2009

EVEN before she was properly all-grown-up, Miley was hot property, appearing on *Takeaway* when she was just 17.

This was before all the dope and the getting naked, of course.

LINDA LUSARDI, 2009

THE former Page Three girl turned panto stalwart and *Emmerdale* actress, is another babe who made the leap from boobs-out modelling to light entertainment.

Some might suggest that the boobs-out phase was her career high point.

CHRISTINA RICCI, 2016

ANOTHER child star-turned-teats-out babe, Hollywood beauty Christina was a guest roving reporter in 2016.

KATE HUDSON, 2016

SCREEN legend Goldie Hawn's fit actress daughter snagged the part of a lifetime when she was asked to go on *Takeaway* in 2016.

Quite honestly, she had no idea what was going on.

MEL B, 2016

FORMER Spice Girl Mel B took time off from getting divorced to get spoofed by the Geordie pranksters in 2016.

Ant 'n' Dec are lucky not to have got a clip round the ear from the feisty Yorkshire lass.

AMANDA HOLDEN, 2018

ADULTERESS Amanda Holden – who cheated on her first husband Les Dennis and broke his heart – was wheeled out for *Takeaway* earlier this year.

Because, you know, there's not enough Amanda Holden on the telly, is there?

GERI HALLIWELL, 2004

THESE days Geri's a prim-looking country housewife type but she's been through more changes of image than Ant's had tins of shandy.

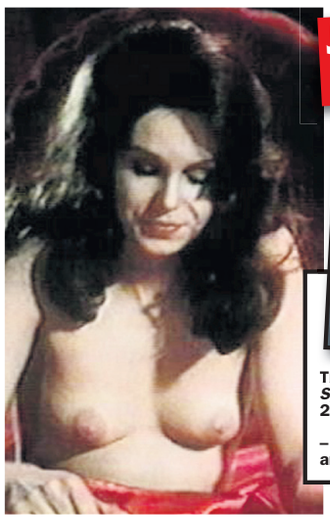
Not quite sure which phase she was going through when she appeared on *Takeaway* but we always preferred her "minge and tits out" period.

JAYNE MIDDLEMISS, 2007

ANT 'n' Dec brought in fellow Geordie Jayne for an in-studio stunt was back in 2007.

Despite being the cheekiest pair of monkeys in telly, they didn't ask to see Jayne's fabulous tits.

They didn't need to – as Jayne used to be a topless model!



JOANNA LUMLEY & EMILIA FOX, 2016

THIS posh pair appeared in the same *Spooks* spoof as Caroline Flack in 2016.

Emilia's famous for that gin advert – but it's best you don't mention that around Ant, eh?

DEANO ON SUNDAY

BBC are bonkers over bloody women's rights

FRIDAY night. I settle down with a cup of tea for my big treat of the week.

OK, it's not very exciting.

It's *Gardeners' World*.

And what was on last Friday?

F**king football.

Now, I'm well aware that – unlike me – many, many millions of people like football.

And *Gardeners' World* is the show most-often sacrificed if it clashes with a sporting fixture.

Probably something to do with a deep-seated BBC suspicion that many gardeners are Tories, or voted for Brexit, and so deserve to be punished.

So us gardeners are used to GW being pushed off their air.

But last Friday night it wasn't even REAL football which had shunted Monty Don off the schedules.

It was f**king WOMEN'S football!

Around two and a half million people watch *Gardeners' World*. It happens to be BBC2's fifth most-watched programme.

How many people watch women's football? I've no idea.

Six and a half lesbians and a self-identifying "feminist" called Gavin from Shoreditch is my guess.

Even football fans think women's football is a joke. Blokes who will watch Northwich Vics reserves play the Blind Amputees' Second XI turn their noses up at the ladies' game.

But the BBC insist on treating women's football the same as men's.

Because the BBC – for all their many virtues – are F**KING BANANAS when it comes to gender issues!

Last week, the BBC announced that it will seek to ensure there is a 50:50 male-to-female split of "expert voices" across its news and current affairs programmes by April 2019.

What a load of bollocks!

If you want an expert to talk about something, surely the qualification is they are an EXPERT, not whether they are male or female.

BBC Director-General Tony Hall blathered: "This is a fantastic project that is already driving change. The results from programmes that have taken it up have been remarkable. Adopting it more widely will help transform the range of expert voices across the BBC."

What the f**k does "transform the range of expert voices" mean?

The BBC have form for shoehorning "different voices" onto the news. When they moved BBC Breakfast to Manchester from London, they lost the opportunity to get world-class experts on every subject under the sun on the sofa.

Now they have to make do with some bloke from Salford University.

Result: the viewer – who pays for the f**king BBC – loses out.

The Beeb should be there to tell us things and keep us entertained.

It's not their job to piss off two and a half million gardeners to suck up to a few hairy-legged feminists.

Hen party wife stuck a BATTERED SAUSAGE up her CHUFF outside Hartlepool Farmfoods!

BANGER 'N' SMASHED: Drunk Helen fancied a bit of meat

HEN parties these days reach a level of drunken debauchery which make the average stag night look like a Girl Guides badge presentation evening.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

But last Thursday, Helen Lord took hard partying to a whole new level with a XXX-rated sex act outside a Hartlepool branch of cheap 'n' cheerful frozen grub outlet Farmfoods.

Because after buying a battered sausage on the way home from pal Jane King's hen night, 34-year-old Helen shoved the deep-fried pseudo-meat up her MINGE near the front entrance of the store.

Thankfully, as it was the middle of the night, no bargain-conscious Farmfoods customers were subjected to the bizarre display.

But married Helen's antics were witnessed by taxi drivers, who called in the authorities, fearing she may be a vulnerable person.

Stripper

And Helen is now facing a rap for outraging public decency.

Last night, mum-of-four Helen was reluctant to share her night of passion with the battered sausage, telling our reporter in no uncertain terms to "f**k off!"

But a friend who had been on the hen night with Helen told us: "The poor lass doesn't get out much with all the bairns and that, so she hit the Bacardi and Tizer quite hard.

"By half past nine she was pissed as a fart and when the stripper came on she near pulled the poor f**ker's cock off.

"About eleven, she goes off to the chippy, saying she wants a battered sausage.

"None of us had any idea she were going to shove it up her twat and that. We'd probably have stopped her.

"It's a waste of a good battered sausage, if nothing else."

Helen's is not the first XXX-rated act near a Farmfoods store.

In 2016, we reported how Fife housewife Gwen Collins claimed to have been BUMMED up the ARSE by SPACE ALIENS behind the Kirkcaldy branch of the low-cost retailer.

SCENE: Farmfoods in Hartlepool

You'll have someone's eye out, Chloe!

CHLOE Sims left little to the imagination as she celebrated the arrival of spring by going out braless!

The *Towie* star "forgot" to wear her tit-sling while filming at the George Tavern in east London, giving onlookers a good old look at her stiff hat pegs.

One passerby said: "Lor lummee, strike a light guv'nor! Look at the thru-penny bits on that – cor blimey!"

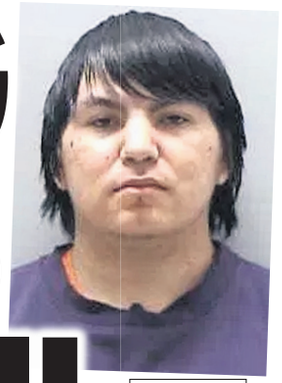
DOG-SHAGGING POSTIE DODGES JAIL



PERV: Brian Chapman was caught boning mutt on CCTV

Animal groups' fury at deal with prosecutors

By BRAD CHADWICK
news@sundaysport.co.uk

ANIMAL rights groups have reacted with fury after a postie who shagged a dog during his rounds avoided punishment for his SICKENING crime.

Pervert Brian Chapman, 22, was arrested in February 2017 after a resident noticed the postman was spending a very long time dropping off a package in a neighbour's garage.

And CCTV footage later revealed Chapman engaging in a sexual act with the neighbour's dog.

Bestiality

He was charged with burglary and bestiality and resigned from his job a few days later, a US Postal Service spokesperson confirmed.

Chapman had faced up to 10 years in prison on the burglary charge and 90 days' jail for bestiality.

But in a crafty plea deal, Chapman coughed to the burglary in return for the dog-shagging charge being dropped.

Astonishingly, despite evidence of his dog-shagging antics being caught on camera, prosecutors agreed to the deal.

Chapman was ordered in Polk Co District Court, Minnesota, to complete a number of supervised probation requirements, including attending a sex offender course and avoiding unsupervised contact with animals.

He also agreed to do 40 hours of community service and have no contact with the homeowner or the dog – believed to be a Border Collie.

His supervised probation will last 10 years but if he stays out of trouble, he will dodge jail.

Glenda Wilkinson, of the Polk Co Animal Welfare Alliance, raged: "If I'd been that judge, I'd have jailed that low-down sonofabitch for the rest of his goddamned natural!"

You can nearly see Lisa's olé!

SHE may be 50 in a couple of months but Lisa Appleton has lost none of her sense of fun!

The former *Big Brother* star stripped naked, with only a fan to cover her clopper.

The stunna is on holiday on the island of Tenerife ahead of hitting the big 5-0 in May. She'd been spotted earlier in the week wearing a strap-on dildo on her nose.

An onlooker said: "Ole! Thees Eenglish girls are, how you say, good value and game for the laugh, no? Ole!"

MY FIRST TIME...

THEY always say you remember your first time...well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and sharing the spicy details of some other first-times, too!

Here we get the filth from two saucy stunnas from Brighton...

SONJA BLUNT
AGE: 20
OCCUPATION: Translator
FAVE DRINK: Gin and tonic
FAVE FOOD: Eastern European
FAVE FILM: *Inception*
FAVE ACTOR: Tom Hardy
FAVE HOLIDAY: Italy

DESTINY HARDING
AGE: 21
OCCUPATION: Fashion shop assistant
FAVE DRINK: JD and Coke
FAVE FOOD: Indian
FAVE FILM: *Thor*
FAVE ACTOR: Chris Hemsworth
FAVE HOLIDAY: Mallorca

FIRST HANDJOB

SONJA: I gave my first handjob when I was 16 in the summer house with my childhood sweetheart, and we had the place to ourselves because my parents were out.

He told me he loved me and put my hand on his crotch. I unzipped him and got it out, I knew what to do because my friends who'd done it had explained it to me.

His willy was quite small so it wasn't very easy and I don't think I was very good because he told me to stop after about 10 minutes.

DESTINY: I was also 16 when I did that for the first time. It was with a guy I met in a bar one night. He invited me back to his place and while we were in the taxi I w**ked him off.

I don't quite know how it happened. We were just kissing and next thing he'd lobbed it out. It was like being in a porno and I could see the taxi driver having a sneaky look in his mirror.

When he came it went all over the taxi's seats. The driver must have been really pissed off.

FIRST BLOWJOB

SONJA: I remember my very first blowjob. It was in my boyfriend's bedroom. We'd been messing about and were both really horny.

He put some porn on his telly, undressed and waved his erection in front of me. I didn't really need much more of a hint than that.

I absolutely loved sucking it because I felt in control and he was groaning, which turned me on. He came in about two minutes and I swallowed. I'm good like that.

DESTINY: My boyfriend took me to the seaside for a day out and on the way back I felt the impulsion to give him a blowjob.

We were driving up the M6 when I leant over and started doing it. It was a shock when he came so quickly and when it hit the back of my throat.

He nearly crashed his car when he climaxed. I really enjoyed doing it, it was a big thrill for me.

FIRST SEX

SONJA: I lost my virginity to a former boyfriend's best mate just days after I split up with him when I was 16.

I went for a drive with his mate and he was giving me vodka. I just got the horn, climbed over and drunkenly sat on him and next thing we were having sex.

It was really crap because I was doing it for the wrong reasons. It only lasted a few minutes and I regretted it loads the next day.

DESTINY: My first time was on my fella's full size snooker table in his games room. His parents were loaded.

We were drunk, started feeling each other up and then he just lifted me on there and we did it.

It was really good fun and pretty much the perfect way to lose my virginity because it was so naughty.

It was a fantastic 20 minutes but we left a couple of minging stains on the table. His mum still goes on about them today.

FIRST HUGE WILLY

SONJA: When I was 18 I pulled my friend's boyfriend's mate at a house party and ended up having sex with him on the sofa in the living room after everyone had gone to bed.

We'd been flirting all night and then somehow it just happened, probably because we were drunk.

He had a 10-inch willy and it's the first time I've seen anything remotely as big as that. He absolutely hammered me with it. I could hardly walk for days afterwards and I'd never sleep with someone who was that well hung again, it's not right.

DESTINY: I had a shag buddy when I was 18 and he was six foot five, 16 stone and had a huge cock to match his frame.

When I first saw it I thought it was going to come straight out my mouth if he put it in me. I knew I wanted to get him in bed as fast as possible as well, though!

The sex with him was amazing, we did it for two hours that night and I coudn't wait to go again the next morning. Willy size is very important.

> **"He was six-foot five, 16 stone and had a huge cock to match his frame!"**

FIRST BUM FUN

SONJA: The lad I'm with at the moment is the man I lost my anal virginity to. We were just a little bit bored one night and wanted to try something different.

We hadn't planned it so had no lube and it absolutely killed when he put it in me.

It was getting it in that was the problem, that's when it really hurt. After that it was quite nice, I still quite like anal now.

DESTINY: I was really keen to try bum sex when I was 18 because it was about the only thing I hadn't experienced and I didn't want to miss out.

At first it wasn't very nice but then after a while it was absolutely awesome. It wasn't as good as normal sex but it still felt pretty damned good. I wished I'd tried it sooner.

FIRST OUTDOOR SEX

SONJA: I went camping when I was 19 and that's the first time I had sex in the great outdoors. I was sharing a tent with a family friend who I fancied and who was the same age as me. After dark, hands started wandering and we ended up in the same sleeping bag!

It was great fun because we had to be silent so that no-one woke up and heard what we were doing.

Naughty, risky sex is always better than standard sex.

DESTINY: My neighbours came round for a barbecue a couple of years ago and I shagged the boy from next door on the porch doorstep while our families were inside the house.

It was like being in a porno and I absolutely loved knowing anyone could catch us at any moment. The sex only lasted a few minutes but he managed to give me a multiple in that time so I was a happy girl.

FIRST SEX TOY

SONJA: My first sex toy was a clit kit that I got when I was 18.

My boyfriend and I went shopping for it because I'd heard it was good and I'm very much a clit-stimulator kind of girl. Plus my boyfriend hadn't made me come for several weeks.

We used it that night and I put it in while we had sex. I had some of the best orgasms of my life that night.

DESTINY: My first toy was a Bullet vibrator that I got last year from my fella.

We were just being really kinky and within an hour of getting it he was using it on me in a hotel toilet.

It didn't half do the trick as well but I think it's miles better to let a guy use it on you than to do it yourself.

FIRST TIME FANTASY

SONJA: I lived out my fantasy when I dressed up as Lara Croft. I knew my fella fancied her.

I was ultra naughty that night and had him eating out the palm of my hand, smacking him about a bit as well! I felt like a dominatrix and the sex was wild.

DESTINY: I once dressed up as Dorothy from *The Wizard of Oz*. I put pigtails in and wore some stockings too.

My boyfriend loved it. He chucked me about a bit and there was great sex. It was just like I'd imagined it would be.

But her absolute fave getup is... NOTHING!

The 26-year-old glamour babe ditched her smalls and bared her perky pair of 32C beauties for this sizzling photo shoot.

Horny

Keeley, from Wycombe, Bucks, said: "Every girl feels sexy in matching lingerie!

"I have many matching sets and I love dressing up in them to get my fella in the mood.

LEGENDS

48 GAIL McKENNA

TV STAR: Gail with Stephen Mulhern on Brilliant Creatures

GAIL McKenna made a massive leap in the 1990s – from topless model to kids' TV host!

Before she moved on to telly fame, she was one of the UK's most popular pin-up girls.

She caused a massive stir in a million trousers when she burst onto the glamour world in 1986.

Fans couldn't get enough of her tumbling locks, perky-looking 34C boobs and girl-next-door looks.

In 1988 the stunna stripped off and showed her naughty side – and much more – in *Playboy*.

By SIMON DEAN
simon@sundaysport.co.uk

But no sooner had nude pictures of the busty babe been plastered over bedroom walls across the country came the very sad news she was quitting modelling.

In 1990 the permed beauty started appearing in pantomimes.

And the Scouse stunna later landed a brief role in Channel 4 soap *Brookside*, playing the girlfriend of Barry Grant.

In 1996 shapely Gail became a television sports presenter for L!VE TV's *Sports Live* and went on to present the sports shows *Turnstile* and *Live And Dangerous* on the fledgling Channel Five.

In 1998 she landed a gig on kids' channel CITV as a co-presenter on *Brilliant Creatures* alongside Terry Nutkins and Stephen Mulhern.

After that Gail was given a role on *How 2* until 2006, which she co-presented with Fred Dinenage and Gareth Jones.

But, for *Sport* readers only, we've dragged the pretty lass – now aged 49 – out of retirement for one last ogle.

Enjoy, folks!

The 27-year-old, from Newham, east London, said: "I love to save my naughtiest poses for when I'm doing a *Sunday Sport* shoot.

"I love posing with my bum in the air, imagining a hunky fella is spanking me to make me wet before he... well, you know!"

The 36C stunna added: "I like sitting with my legs spread when I'm on the Tube, giving a flash of my panties. It's such a tease."

PICK

TODAY

MONDAY

Secret Agent Selection: WW2 – BBC2, 9pm

NEW series. People undergo the training programme of the Special Operations Executive, a covert British military organisation established during the Second World War.

In the opening edition, the students face the SOE's demanding selection process, an intense four-day course that puts them through a series of physical and mental tests.

Douglas Henshall narrates.

Strong armed officers of the law

Police UK: Armed and Deadly – C5, 9pm

THIS final edition examines how the police arm themselves to take on the dangerous threat of organised criminal gangs, featuring contributions from officers who have been on the front line in the battle against violent armed robbery, sophisticated heists and co-ordinated terrorism.

Classic cheap-as-chips C5 stuff but interesting all the same.

OF THE TELLY

By BARNEY SAMUELS

You'll puppy love this film

Marley and Me – C5, 5.45pm

JOURNALIST John Grogan celebrates his wedding by getting his wife a golden Labrador puppy, hoping to stave off her desire to have…you've guessed it, children.

Over the course of their marriage, the canine remains a constant companion and never loses his mischievous streak even as he grows from a cute little puppy to a seven-stone dog.

Half-decent bit of Sunday afternoon drivel if you're housebound for the day.

Starring the ever-fragrant Jennifer Aniston and Owen Wilson.

Golf: The Masters Live – BBC2, 6.30pm

EILIDH Barbour introduces coverage of the fourth and final day from the Augusta National in Georgia, as the opening Major of the year concludes.

Spaniard Sergio Garcia and England's Justin Rose held the lead going into day four here last year and it proved to be a memorable tussle for the title between the two before Garcia claimed the green jacket.

Great if you like golf. If you don't, it's tedious shit.

The Olivier Awards – ITV, 10.20pm

IF you like laughing at gushing luvvies, this is one to watch.

Catherine Tate hosts the theatrical awards, which features performances from nominated musicals including *Hamilton*, *42nd Street*, *Follies*, *Young Frankenstein*, *Girl from the North Country* and *Everybody's Talking about Jamie*.

I went to the theatre last week and am forced to ask – what is the f**king point?

Who wants to go all the way to f**king Nottingham – Nottingham, I ask you! – to watch a load of twats shouting on a stage when we've now got this amazing appliance called "the telly"?!

TUESDAY

Class of Mum and Dad – C4, 8pm

A CLASS of parents experience just what it's like for their children as they go back to school.

For a half term, these senior pupils will study the Year Six curriculum alongside their own kids.

On the first day of the experiment, pupils of Blackrod Primary School discover their parents are joining them, and for the grown-ups it creates mixed emotions as they face old demons, such as sports day.

Made in Yorkshire – C5, 9pm

PART one of two. Yet another show pressing a former MP into a telly presenter's job.

John Prescott explores Yorkshire factories making some of the region's best-loved foods on a huge scale.

In Skipton he takes a look at long-running family business Whitakers Chocolates.

He then travels to Northallerton in North Yorks, where he visits the region's largest sausage factory.

We all remember that story about Prezza slipping his own little chipolata into his secretary, don't we?

DON'T MISS THIS!!!

Masterchef: The Final – Friday, BBC1, 8.30pm

AFTER a tough seven-week journey, the search for the country's best amateur cook reaches its climax, with the remaining three participants pushing themselves to the limit for one last time before judges John Torode and Gregg Wallace announce the winner.

This is their final chance to pull out all the stops and demonstrate the kind of cook they have become – pushing their culinary boundaries to produce the best three dishes of their lives. Last in the series.

THE WORLD FAMOUS AGONY Page

Dear Tess,

I PULLED a couple of crackers at my local a couple of weeks ago. They were both blonde and in their early 20s.

I bought them a few drinks and then took them back to my place.

We stripped off and I watched as they licked each other out.

I got a grip of one of them and boned her from behind while the other licked my bumhole and bollocks.

They then both sucked me off and I creamed them in the face.

I've shagged them a few times since then, but the problem is that they now want £50 each for any future sessions.

I'm tempted, because I'm 54 and haven't got a chance of pulling birds as fit as these two.

What do you think?

TF, Essex

Tess says...
DON'T get emotionally attached to these girls, they're just using you to make money.

Dear Tess,

I'M 43 and married to a woman who is a complete control freak. She was my first and only shag and she bullied me into getting married at the age of 20.

Back then, she didn't look too bad and was fairly generous when dishing out the blowjobs.

But now she's gone to seed and I'm lucky if I get a jump a month. So I have started wanking loads while looking at porn on my mobile phone.

If I keep tugging at work I'm worried I will get caught.

What should I do?

JH, South Wales

Tess says...
GET a divorce.

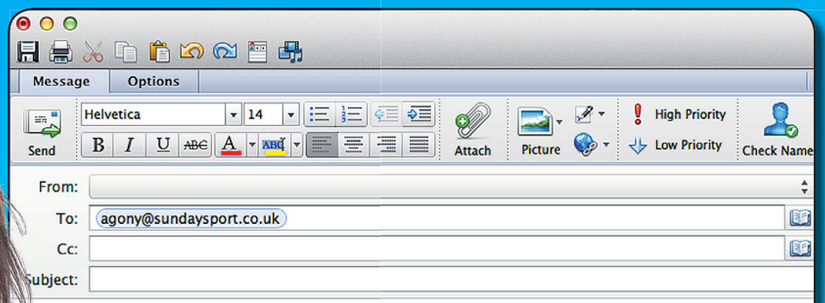
AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters and emails. Here's her advice...



Well-hung stranger reminds me how much I miss nookie

Dear Tess,

I'VE been married for seven years and my sex life has become really boring.

I'm a housewife, so to wile away the odd hour, I log on to internet chat rooms.

While talking about sex to strangers is all very well, it's doing it what matters.

So I arranged a meeting with a likely-sounding bloke.

He was a hunk – about 6ft 2in and a few years younger than me at about 35.

We had a drink and he explained he was divorced and before his marriage had been a bit of a "lad".

I couldn't wait for him to put it inside me so when he suggested we go to his house, I was delighted.

Once inside, his hands were all over me.

We went upstairs where I undid his shirt and ripped it from his muscular body and let him carry me naked to the bed.

As we lay side by side, he sent his tongue on a mission to explore every part of my body.

As he moved round to the 69 position his tongue hit the right spot straight away.

Swollen

And just inches from my face was a magnificent swollen bellend that I struggled to fit in my mouth.

We stayed in bed for the rest of the day as he shagged me first one way and then another, giving me countless orgasms.

I went home that night and realised just how much I miss rampant sex with my husband.

What can I do to reawaken our sex life?

TC, Notts

Tess says...

TALK to him and tell him what you want – remind him how it used to be, and he'll soon perk up.

Dear Tess,

MY boyfriend has got the idea that watching me have a wee will turn him on.

He told me he saw a video online which showed a young woman peeing on a bloke before they went on to have sex in all sorts of positions – and the bloke had a wee on the woman, too.

Although my boyfriend said he doesn't want to go that far, he would like to be in the bathroom with me while I'm relieving myself – so that he can see "the lovely stream of golden tinkle", as he puts it.

I have refused to allow this so far, because I just think it's a bit pervy.

But I thought I'd write in to you for a second opinion.

What do you think?

BR, Lanc

Tess says...

DIFFERENT people are turned on by different things. I always used to say "don't knock it until you try it". But if you are not comfortable with the idea of watersports, come up with an excuse and don't do it.

Tess says...

That clearly wasn't the kind of tunnel the old chap had in mind!

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!

PORN superstar Stormy Daniels finally broke her silence – and possibly a legal agreement – to spill the dirt on Donald Trump spilling his muck!

The writer, director and star of dozens of hardcore movies told of her night of passion with the President of the United States and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

Operation: Tropical Stormy is the woman born Stephanie Clifford in Louisiana at the top of her game in a big budget seaboard adventure. The f***ing scenes are just SEXsational and you'll watch them over and over again.

This 3DVD box set would normally cost you £25 in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pat £15! So, if you want to see Stormy taking some massive meat you know what to do!

ON TARGET: Salah in the first leg against City

DRAW ON CITY

ONLY two teams in the history of the Champions League have overturned a three-goal deficit from the first leg in the knockout stages – Deportivo v Milan in 2003-04 and Barcelona v PSG last season.

That shows the magnitude of the task that faces Manchester City at the Etihad against Liverpool on Tuesday.

Ahead of yesterday's Derby Day, City were 4/1 to qualify for the semi-finals but the lack of an away goal at Anfield will surely bite them at some time midweek if it has not already.

City are 1/2 to win the tie with Liverpool 19/4 and the draw at 19/5 – if City don't score early I can see it petering out and the draw might be overpriced at 19/5 with a 1-1 draw at 19/2 with BetVictor big.

Chelsea were well beaten by a top-class Spurs at Stamford Bridge and have lost five of their last seven league games ahead of the visit of West Ham in today's late kick-off.

The Hammers are looking to do the double over the Blues for the first time since 2002-03 – when the Irons were relegated!

Chelsea are unbeaten in their last 11 home PL games with West Ham and have not lost back-to-back home London derbies since 1999.

David Moyes has never won at Stamford Bridge in the PL in 14 previous attempts and I cannot see him winning this London derby. I expect to see the Blues bounce back in style — Chelsea to lead at half-time and full-time is 4/5 and that is the recommendation.

Arsenal have one foot in the Europa League semis after four first half goals looks to have given them an unassailable lead to take to Moscow on Thursday but before that they face Southampton at the Emirates in today's early kick-off.

The Gunners are unbeaten in their last 22 home league games with Southampton although the Saints have won two League Cup ties at the Emirates in recent years.

This is the fifth successive home game for Arsene Wenger's side who have won their last two PL games 3-0.

Reds can hold hosts in second leg

Southampton have lost their last two league games 3-0 – another 3-0 Arsenal win is 12/1 at BetVictor.

Southampton began the weekend 6/5 to be playing Championship football next term – Saints supporters will be hoping their south coast neighbours Brighton have done them a favour against Huddersfield by the time they take the field this afternoon.

Saints boss Mark Hughes has at least got a verdict over the Gunners this term – his Stoke side won in the Potteries earlier in the season. The visitors are 21/4 to take the points home with the Gunners 11/20 and the draw 7/2.

★ It was very sad to hear the news of the passing of Eric Bristow at the Echo Arena Liverpool on Thursday.

I was fortunate enough to have known Eric for a number of years and always looked forward to having a drink with him at the Matchplay Championships at Blackpool. His great friend Keith Deller spoke so well live on Sky on Thursday and I can only mirror what Keith said.

Walking from the Winter Gardens to the pub should have taken five minutes but invariably took longer as Eric was so recognisable.

If fans asked politely, he would do anything for anyone — autograph, selfie — but if anyone was rude they would get short shrift.

I was once privy to a little spat Phil (Taylor) had with Eric backstage in Blackpool – but they had kissed and made up long before Thursday and Phil's tweet on Friday said it all – Eric was a sporting legend.

Taylor remains the greatest darts player to have walked the planet but he could not have done it without Eric who – make no mistake – was the second best.

The Crafty Cockney he may have been but for me he was just a top bloke.

RIP mate x

CHAMPIONSHIP

Barnsley 3
Sheff United 2

THE Tykes won a topsy-turvy five-goal thriller to help their fight for survival and dent the play-off hopes of the Blades.

Gary Gardner put Barnsley in front with a fierce drive for a half-time lead.

John Fleck levelled before Leon Clarke put United in front at the second attempt

Oli McBurnie equalised before Tom Bradshaw headed home a winner with two minutes to go.

Norwich City 3
Aston Villa 1

THE Canaries won to put a dent in Villa's automatic promotion hopes.

Josh Murphy gave Norwich the lead on the stroke of half-time with a superb curling effort form 25 yards.

Dennis Srbeny then finished a clever pass from Reed to make it two before Jack Grealush pulled one back.

The in-form James Maddison settled matters with the third.

Birmingham 1
Burton Albion 1

THE Brewers' hopes for survival were dealt a massive blow as Blues salvaged a late point.

An even opening half finished goalless but Lloyd Dyer put Burton in front three minutes after the restart when he fired into the top corner.

Blues piled on the pressure after that and Lucas Jutkiewicz headed home late on to break Burton hearts.

Nigel Clough's men stay bottom of the table.

Brentford 1
Ipswich Town 0

THE Bees moved to within five points of the play-offs after a deserved win against an Ipswich side with nothing to play for.

A goalless first half was dominated by Brentford but Watkins and Neal Maupay were both wasteful with good chances.

The second half was poor but Sergio Canos was brought down inside the box and Neal Maupay made sure of the points from 12 yards.

Derby County 3
Bolton Wand 0

THE Rams went at Bolton from the off.

It was no surprise when Alex Pearce headed them into the lead after just six minutes.

That was doubled by Matej Vydra who rolled the ball home for his 20th of the season after a Kevin Nugent shot was well saved.

Tom Lawrence settled matters in the second half with a 30-yard screamer as Derby stay in the play-off zone.

Hull City 4
QPR 0

TWO late first-half goals set the Tigers on their way.

The first came through Harry Wilson's strike which was followed by a Smithies own goal after Hernandez hit the bar.

Kamil Grosicki added the third against the run of play and Abel Hernandez completed the rout.

Leeds United 1
Sunderland 1

THE Black Cats look headed for their second successive relegation.

Ronaldo Viera hit the post for Leeds and Ashley Fletcher hit the bar for Sunderland in a goalless opening half.

Paddy McNair put Sunderland ahead but Pablo Hernandez curled home a beauty to level before Geatano Berardi was red carded.

Middlesbrough 2
Nottm Forest 0

TWO first-half goals ensured the points for Boro in their push for the play-offs on Aitor Karanka's return.

Daniel Ayala fired home the opener after seven minutes before turning provider for Stewart Downing to drill home the second after just half an hour.

Boro are point ahead of Millwall in sixth.

Millwall 2
Bristol City 0

A GOAL in either half extended the Lions' unbeaten run to 15 matches to move within a point of the play-offs.

Jed Wallace opened the scoring when he cut inside from the left side and curled the ball home for a half-time lead.

Steve Morison secured the win in similar style against a poor City who slip to eighth.

Reading 1
Preston NE 0

THE Royals move five points clear of safety with this win.

Modou Barrow headed home the winner after 12 minutes following a Liam Kelly centre.

North End almost levelled immediately but Moult's free kick hit the bar and Sean Maguire's effort did the same after the break.

Sheffield Wed 0
Fulham 1

THE Cottagers are now only two points behind second placed Cardiff thanks to a gutsy win.

Fulham were dominant throughout with Sessegnon hitting the bar before Aleksandar Mitrovic smashed home a cross for what proved the winner.

Mitrovic and Johansen went close as Wednesday seem to be on the beach already.

MUCH MISSED: Ray Wilkins

RAY WAS A GENT AND TRUE GIANT

FOOTBALL lost a true gentleman of the game in Ray Wilkins last week.

There have been so many tributes to him as a person – the best in my opinion being Nigel Quashie's amazing story – but let's not forget he was a bloody good player and coach too.

One of my earliest memories of watching the FA Cup final as a child was his brilliant curling effort for Manchester United against Brighton.

Then, on a more personal level, he played a huge part in fulfilling one of the most amazing dreams that any football fan holds – to reach an FA Cup final – when he assisted Dennis Wise at Millwall back in 2004.

A few years after that memorable day when things weren't going quite as well at The Den, Wilkins was back at the club in an advisory capacity to the then manager Nigel Spackman and was approached by frustrated fans as he left the club car park after another home defeat.

They were demanding answers for the club's poor form and the whole thing was being recorded on a phone.

Anyone else would have simply got in their car and driven home, not needing the aggravation. But Wilkins reasoned with them, despite some less-than-diplomatic interrogation, and agreed to answer all of their questions — which he did in a typically eloquent and respectful manner. When the impromptu Q and A session was over he left to the applause of the group and cemented his status as a class act to the club's fans.

The best way to honour Ray Wilkins is every time you despair at the latest video footage of a spoiled young Bertie Big Bollocks on social media making a fool of himself (and there was one doing the rounds within hours of the sad news about Wilkins' passing broke) just remember instead the absolute football-loving legend that was 'Butch'.

SHUTOUT: Robinson

★ This weekend's two big pre-match pub talking points have to be:

1. In the great 'Ronaldo or Messi' argument, surely it now has to be advantage Cristiano?

2. Will Manchester City's season of dominance ultimately be seen as failure if it ends with just the Premier League and League Cup trophies in the Etihad cabinet?

Fact Hunt

Last week I asked: Who was the last goalkeeper to keep a clean sheet for England against the Netherlands?

The answer is: Paul Robinson in a 0-0 draw at Villa Park in February 2005.

This week's Fact Hunt is: Can you name the two players who have played for Liverpool, Arsenal, AND Chelsea in the Premier League.

Answer next week…

WE'VE GOT THE PREMIER FOOTBALL COVERED

LAST GASP: Joshua King

Cherries late show grounds Eagles

Bournemouth 2
Crystal Palace 2

ROY Hodgson couldn't hide his frustration as late goals cost Crystal Palace again.

The Eagles twice led at Bournemouth before being pegged back by Eddie Howe's men.

Joshua King got the killer blow in the 89th minute as he equalised for the Cherries.

After a flat first half, Palace took the lead two minutes after the break thanks to a fantastic free-kick by Luka Milivojevic.

That lead lasted for almost 20 minutes before Lys Mousset scored with a cool finish from around 20 yards out.

It looked as though Wilfried Zaha had tied up a precious three points when he notched with just 15 minutes left.

But there was still time for Norwegian striker King to spoil Hodgson's day.

Palace sit three points clear of the drop zone despite one win in their past 10 league games.

But they really should have won it — with a golden chance being spurned by Patrick van Aanholt who was put clean through by Zaha but couldn't finish.

Points

Hodgson said: "It very much feels like two points dropped.

"We had chances to put the game to bed, but that left us liable to conceding and that's what we did.

"We played well, but if we can continue to play like that, we will hopefully get enough points.

"I have confidence in the team, but it is going to be a dogfight until the end of the season."

Bournemouth boss Eddie Howe was happy to see another late show.

He said: "Never a dull moment here, not good for the health.

"I feared, going 1-0 down against a good Palace. With the players they have on the counter.

It was important to get something, it wasn't the three points we wanted, but it stopped Palace winning."

IT'S DOZY v AYOZE: Perez makes Wes Morgan pay for his error

FOXES GET RUN OUT OF TOON

Shelvey and Perez fire Newcastle to safety

GOALS from Jonjo Shelvey and Ayoze Perez gave Newcastle their third win on the spin.

A late consolation by Jamie Vardy wasn't enough to spoil the Toon party.

They have 38 points and have surely guaranteed their Premier League safety.

Newcastle were on the front foot right from the off and forced a good save from Kasper Schmeichel just three minutes in. The Dane had to act lively to block Perez's header.

And it was no shock when the visitors took the lead after 18 minutes.

It was a quality team goal finished off by Shelvey. Perez found space out wide and put over a perfect ball for the midfielder to control on the edge of the box.

Leicester City 1
Newcastle United 2

He feigned to shoot one way before firing the ball low into the other corner for a classy finish. It took a slight deflection off Ben Chilwell.

Harry Maguire then got booked for handbags with Dwight Gayle when many refs would have seen red.

Vardy appealed for a penalty after taking a kick to the cods from Mo Diame but there was nothing doing.

Then the home side had an even bigger shout when Paul Dummett clumsily brought down Riyad Mahrez inside the box. It was either a spot kick or a yellow for diving but Stuart Atwell gave neither.

Newcastle went close early in the second-half through a Gayle free-kick from the edge of the box that crept just over the bar.

Vardy went close on the hour mark to turning home a Maguire centre but it went wide.

Perez doubled the Toon's lead 15 minutes from time.

Wes Morgan foolishly allowed a long ball to bounce, with the Spaniard nipping in to lob over a helpless Schmeichel.

There was still time for a frantic final spell after Vardy scored on 84 minutes. Shinji Okazaki put the tap-in on a plate for the England striker.

LETHAL: Shelvey and Perez

HAPPY: Burnley at Watford

Cork pops up to give Clarets four in row

Watford 1
Burnley 2

BURNLEY scored twice in three second-half minutes to come from behind and beat Watford.

Roberto Pereyra got the opener for the hosts just after the hour.

But the lead didn't last long as sub Sam Vokes equalised with his first touch.

Then Jack Cork got the winner as he headed home past Watford goalie Orestis Karnezis from a couple of yards out.

The midfielder was delighted with the performance.

He said: "There were times they were on top of us but we never worried.

"We've been in that position a couple times this season but the lads keep working, keep fighting.

"We believe we're always going to get something from the game."

Cork might have scored the winner but he was impressed with Vokes' strike.

Ambition

He added: "It was an amazing goal. He's a great player and a great sub from the gaffer.

"He is unlucky not to be in the team but showed his quality today."

While manager Sean Dyche is refusing to talk about qualifying for Europe, Cork has made no secret of his ambition.

He said: "We've got that momentum and winning mentality. We had a tough patch in the middle of the season, but played through that, four wins on the bounce now.

"We would like to have an eye on Europe, it's a shame to waste the good position we are in, it would be good end to a great season.

"A lot of the lads haven't played in Europe so it will be a great experience."

Watford manager Javi Gracia was gutted, saying: "We dominated for most of the game, had more possession, more shots on target, 10 corners, but it wasn't enough, we should have killed the game."

PREMIER LEAGUE: STOKE 1 TOTTENHAM 2

HEAD BOY: Kane 'gets' the winner

KANE GETS GHOST GOAL

HARRY KANE thought he got the winner on his first start back from an ankle injury.

By PAUL THOMAS

He headed home a Christien Eriksen cross just after the hour mark.

But despite the England hitman saying he got a touch, the goal was given to the Dane instead.

Eriksen had already put Tottenham in front only for Mame Biram Diouf to equalise after a cock-up by Spurs keeper Hugo Lloris.

Stoke had a good go but couldn't get the equaliser, leaving the Potters in big bother at the bottom.

Stoke were left chasing shadows in the early stages as they sat back and let Tottenham have the ball.

But despite all the home team's possesion, it was Stoke who almost took the lead on the quarter-hour.

Erik Pieters fired the ball across the face of the Spurs box but Mame Biram Diouf couldn't keep his shot down.

Eriksen had a couple of long-range efforts but neither really troubled Jack Butland.

The England keeper showed his class when Son Heung-min was played in one-on-one.

Butland kept his cool and blocked the Korean's shot, even gathering the ball before a Spurs player could get the rebound. Kane looked rusty coming back from injury, triggering the offside flag a couple of times as he cut a frustrated figure.

Stoke made it to the break unscathed and should have taken the lead just after the restart.

Badou Ndiaye put a perfect pass through for Mame Biram Diouf but his shot was poor.

And the home side paid the price for that miss when Tottenham took the lead.

Dele Alli did well to plough through the home defence and into the Stoke penalty area. He rolled the ball into Eriksen's path and the great Dane blasted the ball home. But Paul Lambert's men were behind for just five minutes.

The Potters cashed in on a shocking mistake by Spurs keeper Hugo Lloris.

The Frenchman came flying off the line to clear the ball but blasted it against Mame Biram Diouf who was able to roll the ball into the unguarded net.

That left Stoke with half an hour to protect their lead — but they couldn't manage it.

It took just six minutes for Kane to show why boss Mauricio Pochettino started him — well, sort of! Eriksen fired in a cross that the Tottenham No 10 glanced past Butland and into the net. Only it appears that he didn't!

Stoke kept going and rattled the Spurs bar with 10 minutes left.

Xherdan Shaqiri had the frame wobbling with a free-kick that beat the keeper but didn't bounce the right way.

Spurs sub Erik Lamela really should have tied up the points when given a great chance in the dying minutes.

He collected the ball well but his shot flew just past the Stoke goal.

PASSION: Abraham

Carlos the cackle as Swans get big point

West Bromwich	1
Swansea	1

SWANSEA boss Carlos Carvalhal praised his players for fighting back to get a point against West Brom.

Tammy Abraham headed home the equaliser to help keep the Welshmen four points north of the relegation zone.

West Brom looked brighter under interim boss Darren Moore who has taken over from the sacked Alan Pardew.

They ended a run of eight straight wins thanks to Jay Rodriguez's strike.

And the Baggies can count themselves unlucky not to have picked up all three points.

Swansea keeper Lukasz Fabianski had an excellent day between the sticks, keeping out Rodriguez and Chris Brunt.

For all that, Carvalhal's men could have had another goal but Andre Ayew spurned a great chance just before the interval.

The Portuguese gaffer was delighted with the result.

Strength

Carvalhal said: "I am pleased. After the game, we didn't talk too much about it but we knew West Brom would still be a difficult game even though they changed the manager.

"We must do better in the first half when we have the ball but after the goal, we react and have a lot of strength in our head.

"The team did a fantastic reaction. We didn't give many opportunities to them in return to create chances.

"We aim to collect points with a good number and this is one more. We wanted more but luckily for us, we had time to react and collect one point."

Carvalhal reserved extra praise for Tammy Abraham who was bright earlier in the season but has seen his form tail off.

The boss added: "Tammy's learning. He's a young boy.

"Today, the game is not easy to him but when the player is in an environment around him where the performance is not the best, it is difficult but he did well to score the goal for us."

RED END CAN'T HURT ALBION

Brighton & Hove A	1
Huddersfield Town	1

BRIGHTON survived a late sending off to hold on for a precious point against Huddersfield.

Midfielder Davy Propper saw red for a mistimed challenge on Jonathan Hogg with 15 minutes to go.

That meant a rearguard action for Albion who kept the Terriers at bay.

The hosts got their noses in front just before the half-hour mark thanks after some rotten luck for Huddersfield keeper Jonas Lossl.

He had done well to push Solly March's shot on to the post only for the ball to rebound off his head and into the net.

Less than three minutes later Huddersfield brought the scores level again.

Home defender Shane Duffy had a nightmare as his backpass was woefully underhit.

That allowed Steve Mounie to race in and knock the ball past Mat Ryan.

Despite being down to 10 men, Brighton had a good chance to win the match right at the death.

A good move saw Jose Izquierdo put through on the Huddersfield goal.

This time Lossl was at his best and brilliantly saved his effort.

Despite being unlucky for the first goal the Huddersfield stopper was deservedly named man of the match.

The draw keeps Huddersfield four points clear of the drop zone on 32 points, while Brighton now have 35.

Huddersfield boss David Wagner was happy with the draw.

He said: "An away point in the Premier League is a good point. It was a good performance from my side, it could have been a defeat or a win.

"The whole team showed great character today to come back in the circumstances, at this stage of the season, to come back when you are 1-0 down is good.

"I am absolutely happy with the performance. I am still confident that we are capable of surviving."

REACTION: Hughes

Saints gaffer desperate to see a Spark

Arsenal v Southampton

Sunday, 2.15pm kick-off, live on Sky Sports Main Event

SOUTHAMPTON boss Mark Hughes is backing his Saints to bounce back from their nightmare against West Ham.

Sparky's boys are back in the capital and desperate for points after last week's drubbing at the Hammers.

It was not the ideal start for Hughes taking over from sacked Saints boss Mauricio Pellegrino. And he believes it wasn't a true reflection of the quality in the squad.

The Welshman said: "We've got to go there and get a positive result. The bare minimum is a good performance for the travelling fans and to be positive in our outlook.

"I expect a reaction from the team.

"We need to be more resilient when the momentum goes against us. I've told them this week what is acceptable in games and what isn't."

Problem

Arsenal are without Henrikh Mkhitaryan after he injured knee ligaments in Thursday's Europa League win against CSKA Moscow.

Boss Arsene Wenger is concerned that the problem may keep the Armenian out for the rest of the season.

He said: "He will not play on Sunday against Southampton.

"For how long he will be out we will know that later. But the first impression is not too positive. I fear it could be weeks so I hope I'm wrong." Wenger is concerned about another of his key midfielders but for different reasons.

WORRIED: Wenger

Aaron Ramsey is stalling on signing a new deal at the Emirates.

The Welshman's current contract expires next summer and Wenger would like to get a new one sorted.

He said: "I'm confident. He's not at the end of his contract, he has one-and-a-half years to go.

"On my side it is clear how important he is. You have always to find agreements.

"We want him to stay because he's one of the guys who has been here a long time and will be an important player in the future for the club.

"We do not want to have to convince players to stay. We want players to be happy to play for the club, who want to play the way we want to play football with the values we think are important for us and for the right amount of money we want to pay them."

Everton miss good late chances to punish weakened Liverpool team

EVERTON fluffed a host of late chances to win the Merseyside derby.

By PAUL THOMAS

Liverpool played the game at pre-season friendly pace as boss Jurgen Klopp made five changes ahead of the Champions League second leg against Manchester City on Tuesday.

Despite that, the visitors were the dominant side before the break with Jordan Pickford making some smart saves in the Everton goal.

The second-half was a turgid affair until the Reds visibly tired in the final 10 minutes.

That's when Everton came to life and created enough chances to win the game. The first culprit was Cenk Tosun who couldn't get on the end of a Leighton Baines cross.

Then Theo Walcott slipped and fell when in a great position six yards out.

Tosun had another opportunity when he headed the ball across the face of the Liverpool goal.

And the final miss came from substitute Dominic Calvert-Lewin who side-footed the ball over the bar from a good position.

Everton's other big chance came in the first half when Yannick Bolasie — who was targeted by the home boo boys all match — curled a shot towards the Liverpool goal from the edge of the box.

Visiting keeper Loris Karius had to be at full stretch to tip it around the post.

Klopp's changes made it tough for Liverpool to get any real rhythm going.

Passion

He left Roberto Firmino on the bench with Danny Ings and Dominic Solanke partnering a quiet Sadio Mane in attack.

The two English forwards struggled to make an impact on the game.

Alex Oxlade-Chamberlain came on after the break and livened the game up. He went close with a driving run and shot that flew just over Pickford's bar.

Apart from one flare-up between Seamus Coleman and Danny Ings, there was a distinct lack of passion on derby day.

And Wayne Rooney was clearly fuming with boss Sam Allardyce when he was hooked just 11 minutes into the second half.

Klopp was happy not to have picked up any injuries before the City game.

He said: "A point is OK. Everton were always ready to fight but we didn't give them the opportunity until the late stages, we stopped

playing football and were a bit lucky. But that is what we have to take. I think it's an absolutely deserved draw.

"For 75 minutes we were completely in charge. It's not the best day in my life but let's carry on.

"Clean sheet, good defending, but last 20 minutes, we need to play and we didn't do that. At least it's not a long drive home!

"Now we have to focus immediately and be ready again on Tuesday, let's fight for the next round."

Everton boss Sam Allardyce was impressed by the way the team kept going.

He said: "When you finish the game as strongly as that and put Liverpool under pressure, you can say we're unlucky, particularly the Tosun header.

"The basis of our performance was nullifying Liverpool's attack to create chances but when you miss those chances, it really is disappointing because if they had gone the other way, we could've been looking at a different game.

"I think we got apprehensive about chasing the ball too much and then giving it away too easy.

"In the second half, we played much better, we took it to Liverpool and ran at them to create chance after chance."

Conte has a rage on with his flop stars

Chelsea v West Ham United

Sunday, 4.30pm kick-off, live on Sky Sports Main Event

ANTONIO Conte admits he's angry about Chelsea's performance this season.

The Blues have lost nine times in the league already this season as they look set to miss out on the top four.

The Italian is likely to be on his way this summer after failing to deliver Champions League football.

Chelsea lost at home to Tottenham for the first time in 28 years last weekend on the back of disappointing displays against Barcelona in Europe.

Conte said: "Those who know me very well, they know that in this moment I am very angry. I am very sad for this situation.

"Those who know me very well know I am trying to put all of myself to change this situation because I have great responsibility.

"I feel great responsibility for my work, for my family, for everything.

Problems

"I repeat, when I go to my house, it is not that I am relaxed, but I know that I gave everything and I am giving everything for this club, 120% every day.

"Sometimes, it is very difficult to sleep with these types of problems."

Conte knows he has been part of the problem and is refusing to blame the players for his plight.

He added: "In every season for the final result you have to share the responsibility. With the club, with the coach, with the players. It is normal."

CHALLENGE: Moyes

West Ham boss David Moyes has challenged striker Marko Arnautovic to keep up his rich run of form.

The Austrian hitman was unplayable against Southampton last week, scoring twice in a vital victory for the Hammers.

Moyes says two more wins should guarantee safety and he hopes Arnautovic can get them over the line.

The Scot said: "Arnie was terrific last week.

"There are those who believe he could play at the top level but he needs to show what he can do against the best.

"I want more from him, though, and somewhere along the line Arnie has to decide whether he wants to be pushed further.

"He was at Inter Milan as a young player and if he wants to again be considered as one of that standard he needs to allow the manager and the coaches to push him."

REAL EYE SALAH SWAP

By JOHN ANTHONY

REAL Madrid are lining up a stunning summer swap deal for Liverpool ace Mo Salah.

The Spanish giants are willing to offer the Reds a whopping £75m PLUS Gareth Bale for the Egypt hitman.

Salah's form has been out of this world since he moved to Anfield from Roma for a bargain £36.5m last summer.

Credible reports in Spain suggest he has moved above Eden Hazard on Madrid manager Zinedine Zidane's shopping list.

Ideally he would bring the Chelsea man AND the Liverpool ace to Spain this summer in a new front line.

Bale says he's happy at the Bernabeu but knows he may have to go after a season ruined by injuries.

He was dropped for the Champions League tie at Juventus in midweek.

Liverpool will resist the move so it will be down to Salah if he wants to leave.
